

Website Disclaimer

I understand that all products manufactured by Quantum Care Research and Development, LLC and any information found on this or linked websites are for educational research purposes only. They have not been evaluated nor approved by the Food and Drug Administration or any other government agency and are NOT intended for use in the diagnosis of disease or other conditions, or, in the cure, mitigation, treatment, rehabilitation or prevention of any medical/psychological ailment, malady, pain, injury or disease, or, intended to affect the structure or function of the physical body. Our products work SOLELY within the energetic domain of the body, specifically, the Biotheric and Exotheric Force Fields.

Because the concepts on this and linked websites deal with the body's information field including the information fields around various cells, organs, etc., this information and the products we mention have nothing to do with the actual physical body.

If you have any physical or psychological health challenges, please do not use the information on this or any linked websites in place of a visit, call consultation or advise from a licensed health care provider. Only use our products AFTER consulting your own personal physician.

Any mention of the body's organs, cells and tissues is only used when referring to descriptions of an energetic nature and does not refer to actual physical organs, cells or tissues.
